

Anyone seen a robot, about yey high,  
oh and with a machine gun...  
-Airman00

Thank god for kill switches  
-Airman00

There are two things in life that are liniment  
the universe and human stupidity,  
but I'm not to sure about the universe  
-Albert Einstein

My robot can beat up your robot  
-Airman00

High Voltage + Robot = BAD  
-Airman00

It wasn't me, it was my twin android  
-Airman00

Be nice to geeks...  
one day they will be your boss  
-Bill Gates

One day robots will take over the world...  
and I'll be building them  
-Steve Joblin

Actively making humans obsolete  
-Admin

Building giant robots to battle aliens  
-Admin

You won't laugh when my robots take over the world  
-Admin

When I replace your body with robot parts,  
Ill let you keep your brain . . . in a jar  
-Admin

I make robots... If you see me running,  
try to keep up  
-Ddemmarco5

Robots WILL kill you!  
-Fr4ncium

My robot didn't break, it learned how to  
disassemble itself  
-Scorplon

I reject your reality and  
substitute my own  
-Mythbusters

How Do You Build Robots  
Society of Robots

A robot must not work until the creator has spent hours trying to figure out that the power connector is in backwards

-Airman00

Person 1: So, what does your robot do?

Person 2: It collects data about the surrounding environment, then discards it and drives into walls!

-Xone GOD

My dog walking bot ran away, My Rover sentry bot got stolen, and my fire-fighting bot burn down my garage...

So what do you mean by 'whats wrong~!'

- Xone GOD & ArchMan

You know you're an engineer when you start calculating the resistance values of your M&Ms

-Airman00

"Krieket"

"Edukation"

"Fynance"

"Skool"

Good at "ROBOTICS"!

- BEAMer

Be careful of what you make because robots will take human jobs (jobs like can openers)

-K-80
